Besides being exceptionally successful community servants and leaders in their fields, all are former members of the Jaycees. If you're between the ages of 21-40, we would like to invite you to join this distinguished group.

The Jaycees is a membership organization dedicated to providing opportunities for people to develop personal and leadership skills through service to others. Each local chapter provides its members with the tools they need to become more accomplished in the areas of business development, management skills, individual training, community service, and international connections.

The Frederick Jaycees

The Frederick Jaycees is the local chapter of Junior Chamber International and the United States Junior Chamber. Like our fellow chapters all over the world, the Frederick Jaycees is designed to provide leadership training through community involvement. All members are encouraged to participate in the programs that interest them, including those focusing on community involvement, individual development, leadership training, and membership programming.

Community Involvement

The Frederick Jaycees are well known for our community service. We are honored to annually sponsor:

- Kids' Block at In The Street Festival & Children's Activities for Frederick's 4th of July Celebration
- FCPS Science & Engineering Fair
- Montevue Nursing Home Outreach

Individual Development

In addition to providing opportunities to help improve our communities, the Frederick Jaycees are proud to offer programming to enhance members' personal & professional skills through activities such as:

- Resume Writing
- Public Speaking & Debate
- Communication & Interviewing skills
- Personal & Professional Enhancement Seminars

Leadership Training

To further refine our skills as our community's leaders, the Frederick Jaycees offers members opportunities to hone their leadership skills, including project management, time management, fundraising, and running effective meetings. These skills benefit the member, the chapter, and the community at large.

Membership Programs

In addition to volunteering, mentoring and skill-building with your fellow Jaycees, you'll also have plenty of opportunities to socialize and have fun. These events will also provide you with avenues to network, and expand your circle of local business contacts.

"The Jaycees has given me the training, experience, and most importantly, the confidence necessary to excel in everything I do."

The Frederick Jaycees offers members wonderful opportunities to meet new people, develop new skills and make a difference in the community. Current members say, however, that the biggest difference becoming a Jaycee has made for them is in their own lives. Through service to others, individuals have developed personally and professionally far beyond their expectations.
